

Fill in the gaps with the phrases given in the chart while you hear.

Making sense – the shadow – from home – bring you sunshine – the pieces – the power – every time – make you crazy – state of mind – told the truth – sell your soul – leave behind – standing in my shoes

“Too Much Love Will Kill You” by Queen

I'm just _____ of the man I used to be
Too many bitter tears are raining down on me
I'm far away _____
And I've been facing this alone for much too long

Oh, I feel like no-one ever _____ to me
About growing up and what a struggle it would be
In my tangled _____
I've been looking back to find where I went wrong

Too much love will kill you
If you can't make up your mind
Torn between the lover and the love you _____
You're headed for disaster 'cos you never read the signs
Too much love will kill you _____

I'm just _____ of the man I used to be
And it seems like there's no way out of this for me
I used to _____
Now all I ever do is bring you down, oooh

How would it be if you were _____
Can't you see that it's impossible to choose
No there's no _____ of it
Every way I go I'm bound to lose, oh yeah

Too much love will kill you
Just as sure as none at all
It'll drain _____ that's in you
Make you bleed and scream and crawl
And the pain will _____
You're the victim of your crime
Too much love will kill you every time

Yeah too much love will kill you
It'll make your life a lie
Yes too much love will kill you
And you won't understand why
You'd give your life you'd _____
But here it comes again
Too much love will kill you
In the end
In the end
