 A. self-abasement                      B. self-restraint                      C. self-respect                      D. self-confidence

**Choose the best answer**

**Passage 1**

Around the age of seventeen, you have to make one of the most important \_\_\_\_\_(26)\_\_\_\_\_ in your life. Do you stay in at school and hopefully go to university later? Or do you leave school to start work or a training course? This is your decision, \_\_\_\_ (27)\_\_\_\_ you should remember two things: there is more unemployment among young people who have not been to university, and people with the right skills have a big advantage in the job market. If you make the decision to go straight into a job, there are many opportunities for training. While you are earning, you can also take evening classes to \_\_\_\_ (28)\_\_\_\_ qualifications, which will help you to get ahead in your career more quickly. Another possibility is that you start work and \_\_\_\_ (29)\_\_\_\_ a break to study when you are older. This \_\_\_\_ (30)\_\_\_\_ the best way to save up money for your studies, and get practical experience.

26. A. decide                      B. decision                      C. decisions                      D. decided  
 27. A. but                      B. although                      C. or                      D. so  
 28. A. start                      B. continue                      C. make                      D. gain  
 29. A. taking                      B. take                      C. to take                      D. taken  
 30. A. is                      B. was                      C. has been                      D. had been

**Passage 2**

Bullying \_\_\_\_ (31)\_\_\_\_ a big problem around the world. In Britain, about 16,000 children stay at home and do not go to school (32) \_\_\_\_\_ they are often bullied. Their exam results suffer and so do their chances of going to university or (33) \_\_\_\_\_ good jobs. Bullied children may also suffer from other problems. They can have serious illnesses, an inability to focus on one thing for a long time, poor (34) \_\_\_\_\_ skills, and have trouble holding down a job or staying in a relationship. Catherine Bradshaw, an expert on youth violence, said parents and schools needed to do more about recognizing and preventing bullying. She said parents needed to teach their children how (35) \_\_\_\_\_ well with other children.

31. A. is                      B. have been                      C. was                      D. had been  
 32. A. when                      B. because                      C. although                      D. so that  
 33. A. creating                      B. gaining                      C. getting                      D. taking  
 34. A. society                      B. social                      C. sociable                      D. sociably  
 35. A. to deal                      B. deal                      C. dealing                      D. dealt

**Passage 3**

Recognized as a World Heritage Site in Vietnam, Ha Long Bay \_\_\_\_ (36)\_\_\_\_ thousands of visitors every year, who come to enjoy its magnificent natural landscape. \_\_\_\_ (37)\_\_\_\_ the bay is also facing a number of threats that may lead to serious damage to the site.

Wildlife in Ha Long Bay is being destroyed by overfishing as this is the only job to support most of the inhabitants here. As a result, rare sea creatures may \_\_\_\_ (38)\_\_\_\_ extinct soon.

Another problem is deforestation of mangrove forests. The mangroves, known as the plants native to Ha Long Bay, provide protection during storms, preserve the shoreline, and act as a natural filter that keeps the

sea environment clean and \_\_\_\_ (39) \_\_\_\_\_. Numerous wildlife species \_\_\_\_ (40) \_\_\_\_ plants and fish also depend on the mangroves.

- |                      |                  |              |              |
|----------------------|------------------|--------------|--------------|
| 36. A. had attracted | B. has attracted | C. attracts  | D. attracted |

#### IV. READING :

Read the following text and mark the letter A, B, C, or D to indicate the correct word or phrase that best fits each of the numbered blanks from 1 to 5.

1. Bullying and cyberbullying threaten students' physical and emotional safety and can (41) \_\_\_\_ their social and academic success at school.

In a 2019 survey about bullying, about 22 percent of students aged 12-18 (42) \_\_\_\_\_ having been bullied at school. The survey also found that close to 16 percent of students in grades 9-12 reported being electronically bullied during the previous 12 months. Bullying is associated with negative outcomes for those (43) \_\_\_\_\_ are bullied, including substance use, suicide, or impacts (44) \_\_\_\_\_ physical and mental health.

Everyone at school can work together to create an environment where bullying is not acceptable. Local authorities and schools should adopt policies (45) \_\_\_\_\_ prevent bullying and cyberbullying.

| <b>Question 45:</b> A. help         | B. on helping | C. helping | D. to help       |

2. Coping with loneliness (46) \_\_\_\_\_ a very important skill of needed independent living skills for teens because every teen has needed it. It doesn't matter if they are going to college, starting a new job and moving into an apartment or getting married. Leaving your childhood home and being on your own for the first time will cause some level of loneliness. Teens who know how (47) \_\_\_\_\_ loneliness as the temporary feeling it is, use their support system and work through their loneliness have learned a valuable life skill and they do just fine.

Those who cannot get over their loneliness may make wrong (48) \_\_\_\_\_ about where and how to live or (49) \_\_\_\_\_ to live with. We should recognize that being alone does not mean being lonely. Being comfortable (50) \_\_\_\_\_ ourselves is part of having a healthy attitude. Reading, drawing, crafting and listening to music are activities that we can enjoy by ourselves without feeling lonely.

- |                                  |                 |                |                |
|----------------------------------|-----------------|----------------|----------------|
| <b>Question 46:</b> A. have been | B. will be      | C. is          | D. was         |
| <b>Question 47:</b> A. recognize | B. to recognize | C. recognizing | D. recognized  |

| <b>Question 49:</b> A. what      | B. when         | C. who         | D. that        |
| <b>Question 50:</b> A. with      | B. at           | C. for         | D. at          |

3. It can take a long time to become successful in your chosen field, no matter how talented you are. One thing you have to be aware (51) \_\_\_\_\_ is that you will face criticism along the way. The world is full of people who would rather say something negative than positive. If you've made up your (52) \_\_\_\_\_ to achieve a certain goal, such as writing a novel, don't let the negative criticism of others deter you from (53) \_\_\_\_\_ your target, and let the constructive criticism have a positive influence on your work. If someone says you're

totally in the lack of talent, ignore them. That's negative criticism. If, however, someone advises you to revise your work and gives you a good reason for doing so, you should consider their suggestions carefully. Up to now, there (54)\_\_\_\_\_many film stars who were once out of work. There are many famous novelists (55) \_\_\_\_\_ made a complete mess of their first novel – or who didn't, but had to keep on approaching hundreds of publishers before they could get it published. Being successful does depend on luck, to a certain extent. But things are more likely to turn out well if you persevere and stay positive.

- Question 51:** A. on                      B. for                      C. of                      D. at  
**Question 52:** A. brain                      B. idea                      C. thought                      D. mind
