

SARAH'S WEEK

My name's Sarah and I'm in fourth grade. I get up early on Monday, Tuesday, Wednesday and Thursday. I have a shower and then I have breakfast - cereal and orange juice. I go to school by bus four times a week, but I walk to school once a week. My favourite subject is English. I go shopping twice a week. On Monday and Wednesday I exercise. I love playing volleyball. I do homework every day. I eat fruit and vegetables three times a week. My mother cooks every day.

On the weekend, I relax. I play outside on Saturday and Sunday. My brother goes fishing once a week. I visit my grandparents on Sunday.
