AT THE FAMILY MARKET!

We are going to watch a video of a girl showing the products she bought at the family market.
Make a list of the products she mentions and also say the name of the container of each product.

ROLE PLAY:

Now, let's imagine we are in a supermarket and you want to buy a product. Play the role of customer and ask a classmate or the teacher about the product availability, prices or quantities of sugar and salt. Have fun!
