Read the following passage and mark the letter A, B, C, or D to indicate the correct answer to each of the questions.

The Eiffel Tower is a very famous tower in Paris, France. It was named after the engineer who designed it, Alexandre Eiffel. The tower was built in 1889.

Alexandre Eiffel was asked to build the tower when France decided to have a big fair to exhibit its goods and wares. The tower was located in the middle of the fair as a special attraction. When the structure first started to take shape, the people of France did not like it. They thought it looked like a giant skeleton and was not attractive at all. However, when the
