The zoo vet

If you like animals you'll love Manish Pandey's job. He's a vet at Chester Zoo, the largest zoo in England, and one of the biggest in the world. In his job, Manish must look after some incredible wild animals, including spiders with broken legs and giraffes with sore throats.

On a typical day, Manish gets to work at eight o'clock, and has a meeting with the zoo hospital team before he goes to see the animals. He visits sick animals and talks to the zookeepers.

LIVEWORKSHEETS

He'll also do operations in the morning if any animals have an injury.

Manish grew up India and always wanted to be a vet. He came to England to train and worked in South Africa before he got his present job. He doesn't earn much money in his job but he really enjoys his work. Being a vet in a zoo isn't more difficult than looking after dogs and cats but it's more interesting because you learn something new every day. All animals are different so when an animal that Manish hasn't met before gets ill he enjoys trying to discover what the problem is

1 In his job, Manish looks after ____ animals.
a) all types of b) only large wild
2 Manish usually meets the hospital team in the ____ .
a) morning b) afternoon
3 Manish studied to be a vet in ____ .
