

DEBER

Patrones numéricos.

1. Complete la serie siguiendo el patrón.

2. Arrastre los números y complete los patrones numéricos.

Ahora ayude a Braulio a completar la secuencia encontrando el patrón correcto... fíjese en el ejemplo.

Two number sequences are shown, each with five circles. The first sequence starts with 2 and 4, followed by three empty circles. The second sequence starts with 18 and 16, followed by three empty circles. To the right of the first sequence is a red box containing $+2$. To the right of the second sequence is a red box containing the text "Arrastre". To the right of the "Arrastre" box are two white boxes with green numbers: -1 and -2 .

LO LOGRASTE, EXCELENTE.
