My name is Julia. I like gardening and working on my grandparents' (1) \_\_\_\_\_. My family live in the big city, and we drive to the farm to visit our grandparents every weekend. Last week I spent all Saturday on the farm with my (2) \_\_\_\_\_. We woke up very early in the morning to milk the cows. This activity took a very long time from 5:00 am to 9:00 am. The rest of the day was very interesting, we made (3) \_\_\_\_\_ by hand. I also fed the cows, washed the dogs and carried vegetables. After dinner, I was really tired but (4) \_\_\_\_\_. We sat around the dining table talking. My grandfather said: "The best farmer in our family today isn't your mother or your father. It's you, Julia". I felt amazing because I also wanted to be a (5) \_\_\_\_\_ like my grandfather. My grandparents' farm was a very beautiful place where I lived my childhood full of memories, experiences, and feelings.
