

1 Read the dialogue in the Student's Book again. Complete the summary.

Lucy's (1) hobby is inventing things. She says she's making a (2) \_\_\_\_\_ to get rid of her (3) \_\_\_\_\_. It's very (4) \_\_\_\_\_ and (5) \_\_\_\_\_ to understand.

2 Complete the dialogue with the phrases from the box.

reason is that   Why not   That's because   That's why   ~~finished it yet~~   what's it for

**Max** Hey, what are you doing?

**Mia** I'm making a machine for my Science project, but I haven't (1) finished it yet.

**Max** Where's the machine? It looks to me like you're just eating strawberries!

**Mia** Ah! (2) \_\_\_\_\_ it's part of my research.

**Max** OK ... so where's the machine? And (3) \_\_\_\_\_?

**Mia** Well, it brings snacks to me. But I can't show you yet.

**Max** (4) \_\_\_\_\_?

**Mia** Because I need to do more research. (5) \_\_\_\_\_ I'm eating strawberries.

**Max** So, the (6) \_\_\_\_\_ you need to eat more strawberries?

**Mia** Yes, exactly. So ... could you bring me some, please?

3 Listen and say the words.

light   enough   through

**Phonics tip**

There are different ways of pronouncing the letters *gh*.

A weightlifter

4 Match the rhyming words.

- |           |                            |          |             |                          |         |
|-----------|----------------------------|----------|-------------|--------------------------|---------|
| 1 high    | <input type="checkbox"/> c | a graph  | 6 light     | <input type="checkbox"/> | f plate |
