

Note Lengths & Rhythms - Worksheet 1

NOTE NAME	NOTE SYMBOL	NOTE LENGTH
Semibreve		4 beats
Minim		2 beats
Crotchet		1 beat
Quaver		$\frac{1}{2}$ beat
2 quavers joined		1 beat ($\frac{1}{2} + \frac{1}{2}$)

If you have **2 quavers** ($\frac{1}{2}$ beat notes) **beside each other**, you **join them together** with one line

like this -  $\frac{1}{2}$ $\frac{1}{2}$

Musical sums – Using the table above, complete these musical sums.

 +  =	 +  =	 +  =
 +  =	 +  =	 -  =
 +  =	 +  =	 -  =
 +  =	 -  =	 +  =
 +  +  =	 +  +  +  =	

Extension musical sums – Now try some trickier sums using $\frac{1}{2}$ beats.

 +  +  =	 +  +  =	 +  +  =
 -  =	 +  =	 -  +  =
 +  +  +  =	 +  +  -  =
