

## Add

Add together the numbers written below. Write your answers in the circles in words.

**Example:**

four plus three = seven

six plus two =

three plus seven =

one plus eight =

five plus three =

nine plus zero =

four plus six =

## Add

Find the missing numbers. Each line should add up to 10.

**Example:**

$$1 + 9 = 10$$

$$2 + \dots = 10$$

$$3 + \dots = 10$$

$$4 + \dots = 10$$

$$5 + \dots = 10$$

$$6 + \dots = 10$$

$$7 + \dots = 10$$

$$8 + \dots = 10$$

$$9 + \dots = 10$$

$$0 + \dots = 10$$
