FAMILY WEEKEND

Last weekend, I went to Colonia with my father, grandma, older brother and little sister. The weather was very nice; it was sunny and hot. So, we went to the river, and we swam for hours. It was a little scary at first, but I liked it a lot! The water was cool and wonderful. After that, we laid in the sun, and I played volleyball with my brother. We had lunch under the trees, and it was delicious. In the afternoon, we went to a museum. We visited a lot of monuments. It was a fantastic weekend!
