

Observa: 5 helados con 3 bolas cada uno.

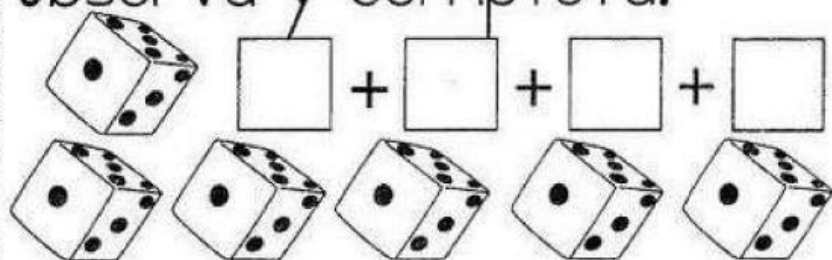

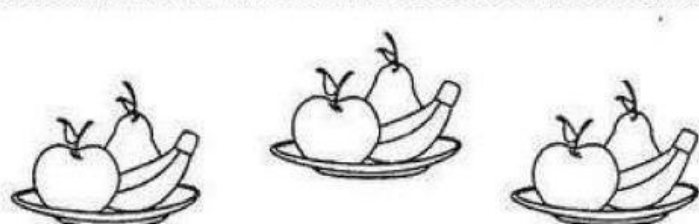

¿Cuántas bolas de helado?

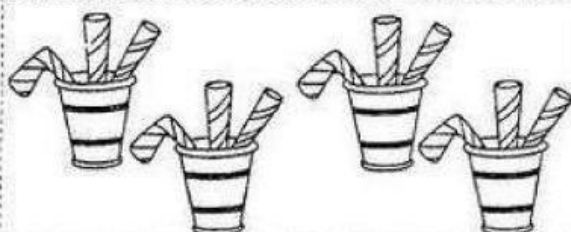

$$\square + \square + \square + \square + \square = \square$$

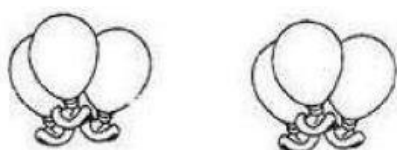

$$5 \text{ veces } 3 = \square$$

Observa y completa:

$$\square + \square + \square + \square + \square + \square = \square$$
$$6 \text{ veces } 3 = \square$$

$$\square + \square + \square = \square$$
$$3 \text{ veces } 3 = \square$$

$$\square + \square + \square + \square = \square$$
$$4 \text{ veces } 3 = \square$$

$$\square + \square = \square$$
$$2 \text{ veces } 3 = \square$$

Agrupamiento de 3 en 3
