A SPECIAL SURPRISE FOR MOTHER'S DAY!

@Mrs. Carhuavilca

My siblings and I wanted to surprise my mom for Mother's Day. She does so many nice things for us that we wanted to do something special for her. My little sister made her a beautiful card. Then, my older brother made her fresh squeezed orange juice. I prepared a peanut butter and jelly sandwich, her favorite. We took everything upstairs to her bedroom. Then, my dad entered the room with a hot cup of coffee and some pretty flowers. My mom was so happy.
