"My Summer Holiday"

My family and I are on a fantastic holiday on a beautiful island. Every day, we wake up early and go to the beach. While my parents relax on the sand, my siblings and I build sandcastles and swim in the clear blue water. In the afternoons, we go hiking in the mountains. We are staying in a hotel near the beach, where we can hear the waves crashing against the shore at night. We are trying surfing, and even though it is challenging, it is a lot of fun! We also tried delicious seafood and visited famous landmarks on the island.
