6. dig - digging - were digging
7. while - when - why

The Roman Coin

My name's Antoine, and I live in a small town. One day, I [1] ..... in the fields with my friends when I found an old coin. A few days later, while I [2] ..... a nearby city, I took it to a museum. The experts there [3] ..... it was very rare!

A couple of days later, a team of archeologists came to my town. [4] ..... they were exploring the site, they [5] ..... more coins and other artifacts. After a few days, they made an amazing discovery while they [6] ..... – they found a large mosaic. I was visiting the site [7] ..... they found it and they let me clear some of it with a brush!
