Name

Aesthetic appreciation of music	Big Idea	I am learning to distinguish between musical (e.g melody) and nonmusical (e.g lyrics) elements that influence musical performance and preference.

	Name of the song	**Name of the artist**	**Country/ Language**	**What instruments do you hear?**	**Rhythms/Beats.** Is it fast? medium? slow?	**Do you know the story** behind the song?	How does it **make you feel?**	**Votes.** Count the total votes each song gets. Then, **CIRCLE** the one you voted for.
