

Beautiful things

Benson Boone

For a while there, it was rough
But lately, I've been doin' better
Than the last four cold Decembers

I _____

And I _____ my family every month

I found a girl my parents _____

She'll come and stay the night

And I _____ I might have it all

And I _____ God every day

For the girl He sent my way

But I know the things He _____ me

He can take away

And I _____ you every night

And that's a feeling I wanna get used to

But there's no man as terrified

As the man who _____ to lose you

Oh, I hope I _____ you

Mm

Please stay

I _____ you, I _____ you,

oh God

These beautiful things that I've got

Please stay

Please stay

I _____ you, I _____ you,

oh God

These beautiful things that I've got

Oh-oh-oh-oh

Ooh

Please don't take

lose	recall
think	need
want	see
sit	stand
thank	hold
be	love
give	take

I found my mind, I'm feelin' sane

It's been a while, but I'm finding my faith

If everything's good and it's great

Why _____ and wait 'til it's gone?

Oh, I'll tell ya, I know I've got enough

I've got peace and I've got love

But I _____ up at night thinkin'

I just might lose it all

Please stay

Please stay

I _____ you, I _____

you, oh God

These beautiful things that I've got

Oh-oh-oh-oh

Ooh

Please stay

Please stay

I _____ you, I _____ you,

oh God

I need

These beautiful things that I've got
