I didn't think you'd ..... me

How could you ..... even try?

I don't wanna tiptoe, but I don't wanna hide

But I don't wanna feed ..... monstrous fire

Just wanna let this ..... die

And I'll be alright

We can't be friends

But I'd like to .....pretend

You cling to your papers and pens

Wait until you ..... me again

Wait for your love

Me and my truth, we ..... in silence

Baby girl, it's .....me and you

'Cause I don't wanna ....., but I don't wanna bite

My tongue, yeah, I think I'd rather die

You got me misunderstood, but at ..... I look this good

Know that you ..... me

I don't like how you paint me, yet I'm still here hanging

It's something ..... a daydream

But I feel so seen in the night

So for now, it's ..... me

And maybe that's .....I need
