It was a very bright day, there was nothing interesting on TV so we decided to swim the lake. Since we live the village that is one hour from the lake we decided to buy some drinks and snacks the shop. We bought some drinks and we also stopped the bakery and bought some baguettes and cookies. Yes, we decided to have picnic the lake. We also brought a small table with us because it would be comfortable to sit the table, eat sandwiches and look the beautiful lake. When we got to the lake we organized our little picnic first. We put sandwiches and fruits the table, made some salad and after swam the lake.

We moved to Canada recently. We lived Australia before. First we wanted to go to Canada a ship but then we decided that flying the plane is much faster. We live the province Ontario now. I am working home now but my husband works the office. We live Maple street which is not far from his work. So he doesn't have to go there a bus. We like to spend our time the park. Sometimes we can spend time the concert or the cinema. On weekends we like to go to the park and after buy some tasty cookies the local bakery.
