2- Listen to the first verse of the song. You can perceive two characters, what's their behavior? Who is treating in a toxic way who? Make a brief description.

While Listening Activities:

1- Listen to the verse and chorus of the song and fill the blanks.

It falls apart, you broke my ____
You're spreading more ____ and ____ and ____
I had enough, cut it out
I am begging no more

It's you the one who spread the ____ that I am fake
It's you the one who stab me right in the back
And now you said that I ____
But I don't even really care anyway
It's you who twist on things, but then I took the ____
It's you who mess around and do all hits and runs
You made my days a living ____
Now I don't care
Who's ____? It's you!

2- Listen to the chorus of the song again, and mark the following verse with True or False, correct the false with the right sentence of the song.

It's you the one who tried to make me go insane

I better just care about it anyway

It's you the one who turn my world upside down

It's you who respect the rules and pull me under the bus

Please stay

3- Listen to the end of song and place in the correct order the sentences.

It's you the one who spread the lies, but then you fled

It's you the one who make me feel that I am weak

Your words hit so hard, made me black and blue

I know the truth

But you deny

Your words hit so hard, made me black and blue

It's you the one who deceit and never regret

I have to warn ya

So, who's toxic? It's you!

You know there's karma

Who cares about it anyway?

I need no drama
