

# Arrays

Multiplication

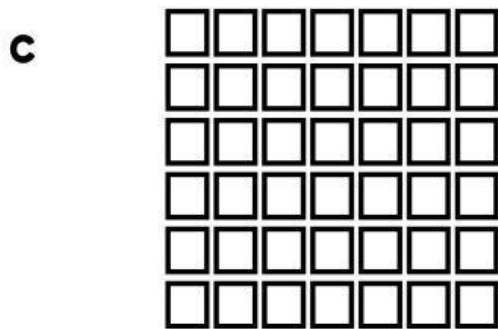

1 Write a multiplication fact for each array.

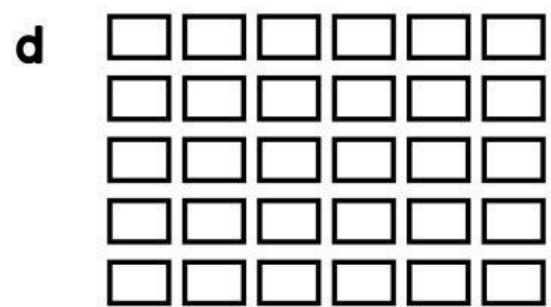

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

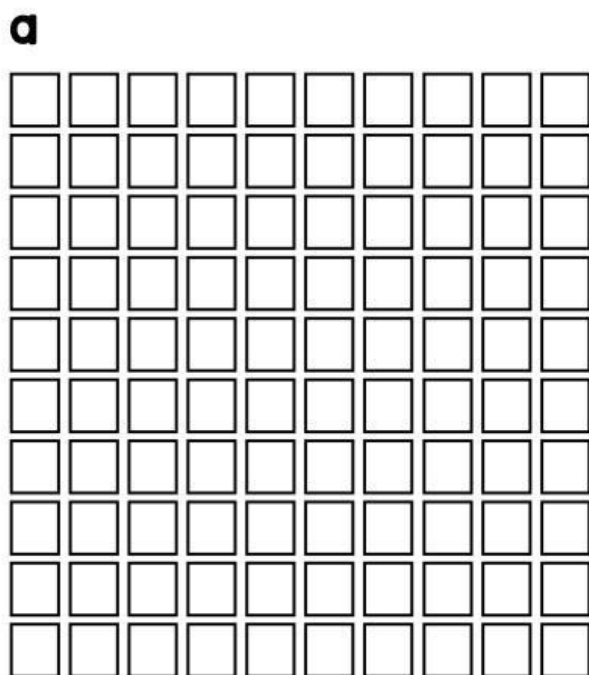

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

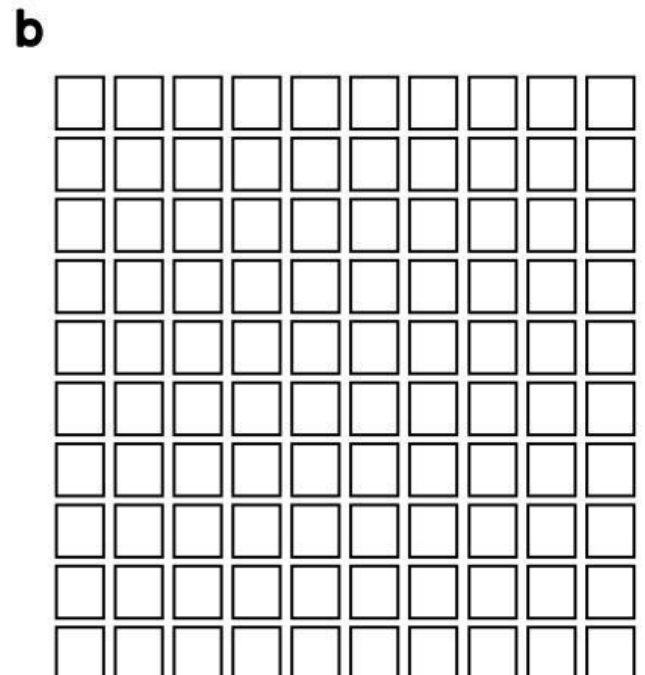

$$\underline{\quad} \times \underline{\quad} = \underline{\quad}$$

2 Color an array to match. Find the answer.

$$7 \times 8 = \underline{\quad}$$

$$6 \times 9 = \underline{\quad}$$
