

LET'S PRACTICE!

The curious scientist

Dr. Emily is a curious scientist who loves discovering new things. She spends her days in the laboratory, studying how things work. Dr. Emily can do amazing experiments and can play different musical instruments; she can play the violin; the guitar and she can play the drums.

However, she is not good at sports, she can't play soccer, she can't play baseball. Her best friend, Jairo, he is an excellent soccer player, he can kick the ball, he can catch the ball, but he can't swim. He is a soccer teacher in the school.

1. Read the text below and write true or false to the following sentences. Then correct the false sentences.
