

A page pops up saying, 'You've won!' and it tells you to click on it.

What should you do?

**A**

Feel excited and click to see what you've won.

**B**

Click on it and tell your friends.

**C**

Don't click on it and tell an adult.

Someone you've met in an online game asks which school you go to.

1

What should you do?

**A**

Don't tell them but tell an adult you trust that this has happened.

**B**

Tell them because maybe they go to the same school.

**C**

Say another school that you know.

You have made friends online. The friend has asked you to send them a photo of yourself.

What should you do?

**A**

Take a selfie and send it.

**B**

Don't send them anything, block them if they ask again and tell an adult straight away.

**C**

Ask your friend what to do.

Someone in your class wants you to take a photo of your brother being silly and post it online without your brother knowing.

What should you do?

**A**

Take a photo and post it.

**B**

Tell them, 'No,' because you know your brother wouldn't like it.

**C**

Take the photo but send it to them in a private message.

**Your friend has posted a photo of you that you don't like.**

What should you do?

**A**

Post an embarrassing photo of them to get them back.

**B**

Ignore it and hope no one will see it.

**C**

Ask your friend to delete it.
