The worksheet is designed to help students identify healthy habits. The central circle is divided into four sections, each representing a different aspect of health:

- Alimentación (Food):** This quadrant includes illustrations of various food items: a fast-food meal (burger, fries, drink), a plate of fruit (apple, banana, grapes), a plate of fish, a carton of milk, a cup of coffee, an ice cream cone, and a box of cereal.
- Descanso (Rest):** This quadrant shows different ways of resting: a person working at a desk, a person sleeping in bed, a person relaxing on a couch with a laptop, a person sunbathing under an umbrella, and a person sitting in a beanbag chair.
- Aseo (Hygiene):** This quadrant focuses on personal care: a person showering, a hand being washed with soap, a cartoon tooth character, a person brushing their teeth, and a person playing in a mud puddle.
- Actividad Física (Physical Activity):** This quadrant depicts various physical activities: a person running, a person on a scooter, a person on a bicycle, a person jogging, a person swimming, and a person lying on a couch watching TV.

Each illustration has a blue square next to it, intended for the student to mark their selection of healthy habits.
