Cinnamon in my teeth

From your .....

You're touching me

All the pills that you did

Violet, blue, ..., red to keep me

At arm's length don't work

You ..... to push me out

But I just find my..... back in

I .....

There's things I wanna .....to you

But I'll just let you live

Like if you hold me without hurting me

You'll be the .....who ever did

There's things I wanna ..... about

But better not to give

But if you hold me without hurting me

You'll be the first who ever did

Hold me, love me, ...me, honey

Kerosene in my hands

You ..... me mad, I'm fire again

All the pills that you take
