

Cinnamon in my teeth
From your
You're touching me
All the pills that you did
Violet, blue,, red to keep me
At arm's length don't work
You to push me out
But I just find my..... back in
I

There's things I wannato you
But I'll just let you live
Like if you hold me without hurting me
You'll be thewho ever did
There's things I wanna about
But better not to give
But if you hold me without hurting me
You'll be the first who ever did
Hold me, love me,me, honey
Kerosene in my hands
You me mad, I'm fire again
All the pills that you take
