Activity 2

Interactive

Match the design thinking stages with the descriptions. This will help you plan what you need to do to finish the project.

Stages		Description
Understand		What is the problem you are trying to solve?
Define		Creating a model of one or more of your ideas.
Ideate		Testing your ideas for feedback and making improvements.
Prototype		Who are you trying to help? What do they need?
Test		Brainstorm and come up with creative solutions.
