Section A: Comprehension

Read the passage.

Turn It Off!

A simple way to protect your environment is to remind yourself to "Turn it off." What does that mean? When you leave a room, turn off the lights. When you are done watching TV, turn it off. While you are brushing your teeth, turn off the faucet. And if you are waiting in

a parking lot, ask the driver to turn off the car. These are great ways to save money. But they are also great ways to save resources like electricity, water and fuel and that's important. Do this every day because every day is Earth Day.
