There's / There are...	opposite...
It's called...	next to...
on the corner of...	between ... and ...

My town is called .....

### My fantasy city

Our town is an old town. There's a square in the town centre. 1) It's called Market Square because there's a market there every morning. Once a year there's a jazz festival in Market Square, too. 2) It's usually very good.

At the end of the square there's a museum. There are old photographs of the town in 3) it. 4) They're really interesting.

There are some restaurants in the square. 5) They're great. Opposite the restaurants there's a theatre, a bookshop and a pub. The theatre's called The Opera House. The bookshop is between the theatre and the museum. The pub is on the corner of the square. There's a car park in Castle Street, next to the pub.

Opposite the square there's a big hotel – 6) it's called The Castle Hotel. I work at the hotel. There's a club in the cellar. 7) It's called Ringo's. The hotel is in Castle Street. 8) It's a pedestrian street with a lot of shops – music shops, clothes shops and shoe shops. There are three parks, too.

At the end of Castle Street, there's a park. We often go there at the weekend.
