Idioms

Idioms are phrases that mean something different than what the words say.

example: Ethan **was hanging out at the park with Jonathan.**

Of course, Ethan and Jonathan won't be actually hanging from anything. The phrase *hanging out* is an idiom that means *spending time with a friend.*

Use the idioms in the box above to complete each sentence. Some idioms will not be used.

1. Arya was _____ when her best friend moved away.
2. Samuel was coughing and sneezing. He was feeling_____
3. When Zee and Khumo were arguing, their mother yelled. "stop! I am _____ with you two bickering all the time!"
4. Thsepang is a very practical _____ person.
