School music project

Hi,

I've been to the library and got a couple of books we can use to help us with the school music project we're doing together.

I think we should write about classical music – what do you think?

Shall we use your laptop to work on the project?

It's probably a good idea to get someone to check our work before we give it to the teacher. Who's the best person to ask?

See you soon,

Pat
