### MY FIRST TRIP TO BALI ON VACATION

When I was in junior high school, I had a school trip to Bali. It was my first time on vacation in Bali. I went to Bali with my 1) .... and my teachers. We went to Bali by bus. We left our school at 4.30 AM after praying for Subuh. The fun trip from Surabaya to Bali took around 3 days and 2 nights. I 2) .... the journey very much.

The trip was enjoyable for me because I was able to spend every moment with my friends, who entertained me by making jokes, singing, and sharing funny stories. We also 3) .... the activities that we planned to participate in while we were in Bali. When we got to the hotel, I 4) .... felt like I had no more energy at all, despite the fact that I had been feeling quite exhausted on the drive there. My friends and I checked in right away and went straight to our room to get ourselves cleaned up. The trip is really exhausting. Because of it, once we had done washing ourselves, we went outside to the closest minimarket and purchased several kinds of food, including chips, coffee, and cup noodles. 5) .... having a little conversation in the room, we decided it was time to sleep.

On the first day, we started leaving for several destinations, such as Kuta Beach, Krishna, and Pandawa Beach. Kuta Beach is very beautiful. We were there only for an 6) .... Then head to Krishna to buy their typical souvenirs. Next, we headed to Pandawa Beach. It's very nice there, not inferior to Kuta Beach. There, I also took pictures with friends. After that, we went back to the hotel.

On the second day, we went to **7)** . . . and Garuda Wisnu Kencana. I was so impressed with Bedugul because of the beautiful view. There are lakes and mountains surrounding the place, making the atmosphere calm. In Bedugul, I also took some pictures with friends. I have also been involved in several conversations with foreign tourists on vacation. On Garuda Wisnu Kencana, we were shown the Kecak dance from Bali. But because it was **8)** . . . in the middle of the show, we didn't see it until it finished. After that, we went back to the hotel.

On the third day, I went to Tanah Lot. But I feel tired because I have been going here and there for two days. I just sat and **9)** . . . several pictures on Tanah Lot. After from Tanah Lot, We went to buy some souvenirs for our family. I bought udeng for all my little cousins and some t-shirts for my sister and my parents.

And after buying souvenirs, we **10)** . . . went back to Surabaya and took around 9 hours for went back to school. We arrived at 7 a.m at school. I felt so happy because I could visit Bali and see a lot of beautiful views of Bali. All of the story will be a memory for me and my friends.
