— / 5

2 Look and write the correct times.

It's half past six. It's quarter to three. It's five past five. It's five o'clock.
It's quarter past one. It's five to nine.

- 

It's quarter past one.

-
- A cartoon clock with a face, showing the time 9:30. The clock has a round white face with black numbers from 1 to 12. The hour hand is between 9 and 10, and the minute hand is pointing at 6. The clock has a grey, rounded body with several small, rounded protrusions around the edge, resembling a sun or a flower. It has two small, round eyes at the top.

-

-
- A black and white photograph of a wristwatch. The watch has a round, metallic-looking case with a slightly textured surface. The dial is light-colored with black Arabic numerals from 1 to 12. There are two main hands, an hour hand and a minute hand, both with simple, dark tips. A small, dark, rectangular mark is visible on the dial near the 6 o'clock position. The watch is attached to a dark, possibly black, strap that appears to be made of a smooth material like leather or plastic. The background is plain and light-colored.

-
- An analog clock with a silver-colored frame and a white face. The hour hand is positioned between 9 and 10, and the minute hand is pointing at 2. The numbers 1 through 12 are printed around the perimeter of the clock face.
