VACATION TROUBLE

Hi! I'm Roger and I'm going to tell you about my last vacation. My brother and I booked a ten-day vacation in Cancun, Mexico. The night before we left, we were so excited that we couldn't sleep until long after midnight-so we didn't hear the alarm, and we woke up late. We got dressed, grabbed our luggage, and rushed to the car. I was in such a hurry that I left my passport and plane ticket behind. I realized this after about 15 minutes, so we turned around, drove home and then went to the airport again. There was such heavy traffic that it took ages to get there, and we missed our flight. We got seats in the next available flight and waited several hours to board the plane. Arriving at our hotel in Cancun, we found out that there was no reservation from our travel agent, and the hotel was completely full. We finally found a room in another hotel, but it was such an expensive hotel we could only afford to stay three nights. Cancun was a nice place, but the whole experience was such a nightmare that I don't ever want to travel abroad again.
