Can you keep your house safe?

Maybe not completely, but security experts think it is worth ¹**having** a few changes **made** to your home to make it safer. A lot of people think that ²**making** a sign **say** saying 'Beware of the dog' is a good idea, but most criminals know that family pets aren't usually dangerous. Locks are important, though. You should ³**replace** any old locks **with** more modern ones. Modern locks are harder for criminals to open. It's a good idea to ⁴**get** an alarm **installed**. You can also ⁵**get** the alarm **connected** to the local police station, so the police are alerted immediately. A good option is to ⁶**get** your house **checked** by a security expert.
