Prom Night Party Committee
Jln. Sudirman 68th
+62 711-438574
May 22nd, 2022

Dear our fellow classmates,
The purpose of this letter is to formally invite you to our class batch last event of school era. Please join us in the 2022 Prom Night.
The theme of our Prom Night is Embracing the Future together. The event will take place on Saturday, June 2nd, 2024 at Majectic Hall, starts at 7.00 pm-till drop.
There will be many interesting performances you can catch in the party. There will be the tribute from our junior classes and school clubs. We also will perform to honor our school and the teachers who have been helping us all this time.
We are hoping you could join us and gather together to celebrate one of the best times of our lives. Please confirm your coming to this event as soon as possible. Thank you.

Regards,

Nadhief
Head of Prom Night

Social media has become an integral part ofmodern life. Many welcome the ease of communication and information sharing offered by social media. However, there are also concerns about the negative impacts of excessive social media usage.

Supporters of social media argue that these platforms allow us to connect with friends and family regardless of geographic distance. They also view social media as a means of self-expression and voicing opinions. Additionally, social media is seen as a valuable source ofinformation and entertainment.

On the other hand, opponents of social media criticize that excessive usage can lead to addiction, decrease productivity, and trigger mental health issues such as depression and anxiety. They are also concerned about privacy and data security, as well as the spread of false information and hate speech.

I believe that social media can provide benefits if used wisely and within reasonable limits. However, it's important to understand its risks and take steps to mitigate its negative impacts.

What is the main benefit of social media according to its supporters?

A. increasing productivity

B. providing entertainment

C. maintaining data privacy

D. connecting with friends and family

E. preventing the spread of false information

According to opponents of social media, the negative impact of excessive usage is ….

A. increasing productivity

B. maintaining data privacy

C. strengthens in social relationships

D. Providing valuable entertainment

E. addiction and mental health problems

What is the main concern of opponents of social media?

A. increasing creativity

B. increasing productivity

C. strengthening social relationships

D. providing valuable entertainment

E. spread of false information and hate speech

LIVEWORKSHEETS
