Tom's Food Diary

Monday, September 6

This morning, I didn't have breakfast, so I was hungry. For lunch, I had a pizza. It was horrible because there wasn't enough cheese, and there were too many olives. I don't like olives! For a snack, I had a cookie and some juice. Then, for dinner dad made pasta with tomatoes and ... more olives! I had a sandwich instead. It wasn't a very healthy day.
