# Integrated Skills in English A1

Time allowed: 1 hour 30 minutes

This exam paper has four tasks. Complete all tasks.

## Task 1 – Long reading

Read the text about Penguins. Answer the 10 questions on page 3.

### Part 1

Penguins are very interesting birds. They can live for about 20 years and there are 17 different penguins in the world. Penguins live in Antarctica but you can find some penguins in other places too.

### Part 2

Penguins sit together on rocks and on ice. They are often in groups. Most penguins have two babies. Baby penguins don't sit on the ice. They sit on their parents' feet. They stay there for about eight weeks.

### Part 3

The most famous penguins are black and white in colour, but some penguins are blue. Penguins don't have any teeth and they have small feet. Some people say they look very funny!

### Part 4

Penguins look for all their food in the sea. They eat small fish from the water. They eat a lot of fish in one day. Penguins sometimes eat small things they find on the land. This helps them to swim better.

### Part 5

Penguins cannot fly, but they are very good at swimming. They drink the water from the sea! Penguins are good at walking very fast. They can travel for many hours to look for food. People love penguins and there are many films about them!

Come with your family and friends. You will have a lot of fun here. Email us at [info@northtownpark.co.uk](mailto:info@northtownpark.co.uk) for more information.

**Text B**

Hi Richard

I'm at the park today. It's on Green Street, near the university. I'm here with my school friends. It's really nice. We're looking at the beautiful flowers here. Sometimes we have a picnic but not today! The park has a new swimming pool.

Come with us tomorrow! We can go swimming together! After that we can have a drink in the café. What do you think?

Bye

Alice
