Perhatikan antarmuka dari aplikasi berikut! Tentukan jenis komponen yang digunakan!

The image shows a mobile application interface titled "Screen1". At the top, there is a blue header bar with the title "Screen1" and a menu icon (three vertical dots). Below the header, there is a circular profile picture placeholder. Underneath the profile picture, the text "INPUT DATA" is displayed. Below this, there are three input fields: "nama :", "e-mail :", and "tanggal lahir :". The "tanggal lahir :" field has a date picker button labeled "Pilih Tanggal". Below the input fields, there is a "SIMPAN" (Save) button. At the bottom, there is a section titled "Hasil Input:" which displays the entered data: "nama", "e-mail", and "tanggal lahir". Arrows point from the labels to their respective input fields, and from the "Hasil Input:" section to the displayed data. Brackets on the right side group the input fields and the save button together, and the output section together.
