☐ Of course I have. Anyway, yours isn't much better.

I've never seen it tidy.

☐ Why? What do you mean?

☐ Ok, you do that and I'll finish my Maths homework. I bet you haven't started yours yet.

☐ Well, good for you! Have you found the carpet yet?

☐ I've already looked. It isn't there.

☐ Have you been in my room Jodie?

☐ How do you know? Your room's a mess. Have you ever made your bed?

☐ Sure. I haven't. but that's because I can't.

☐ Actually, I'm sorting it out right now.

☐ Yes, I was looking for my calculator.

☐ Oh, ha ha, very funny. I'm going to take some old clothes to a charity shop in a minute.

☐ I've just told you. I can't find my calculator.
