The Earth

> 4.4 Soil

1. Look at the picture of the carrot growing in soil. Read the sentences and put a tick (✓) or a cross (x) in the box.

- a. The plants need soil to grow.
- b. Soil is just made of rocks.
- c. Plants only need water.
- d. Soil has living things growing in it.

☐☐☐☐

2. Look at the eight things around the hands holding the plant. Choose the ones which you find in the soil.
