## Exercise 1. British cuisine.

Every country has its unique customs, traditions and food. This is the part of their culture.

Cuisine is a set of dishes typical for the country.

As you already know, I'm from the United Kingdom. My home country has a very rich cuisine. My favorite meal is a **full English breakfast**. It is an amazing opportunity to try a variety of foods and enjoy the food. Usually a full English breakfast consists of bacon, fried eggs, black pudding, baked beans, mushrooms, sausages, toast and tomatoes. That's quite a lot of stuff, isn't it? Hmm, I think this dish is just great! Especially if you have a cup of tea with some milk afterwards! But there is more about British cuisine than just full English breakfast!..

## Exercise 2. Watching a video.

Watch the video about British cuisine. What traditional dishes are mentioned in it? Look at the list and tick (✓) the correct options.

- Full English breakfast
- Shepherd's pie
- Fries
- Pizza
- Fish & chips
- Scotch egg
- Curry
- Pie and chips

### Exercise 3. Answering the questions

Answer the questions 1-4 and express your opinion. Use the words:

In my opinion, ...

I think...

I guess...

I suppose...

1. Do you think British food has a bad reputation abroad? Why?
2. Have you ever tried a full English breakfast? Would you like to do that? Why?
3. How important is tea in British culture?
4. Which traditional British dish would you like to try the most?

## Exercise 4. Vocabulary

Fill in the gaps with appropriate words from the box below. There is 1 extra word that you do not need to use.

1. Every country has its unique \_\_\_\_\_, a set of specialties and traditional food.
2. Gordon Ramsay's cooking skills are \_\_\_\_\_! It is very interesting to watch him chop veggies during the cooking show.
3. If you ever visit England, try the local \_\_\_\_\_ - Shepherd's pie.
4. Having a proper \_\_\_\_\_ is very important, because your body needs food to function.

## Exercise 5.

**FUN FACT:** When people in England have dinner, they can also say that they are having tea. Sometimes "to have tea" means 'to have dinner'.

Use Meghan's story "About favourite food..." to write your own. Write  $\geq 50$  words. Say:

- What traditional dishes are there in your country
- What ingredient they have
- Which one you like the most and why.

Don't forget to use new words and expressions ( $\geq 4$ )
