

CORONAVIRUS

By Friends

Listen to the song and:

-complete the blanks with the correct word,

- choose the right word,

-order the lines.

Quarentine life week plague

So no one told your was gonna be
this way

Your job's remote, you're broke, you're
hiding from the

It's like you're always stuck in

And you might be there a day, a, a
month - or even a year

(Chorus)

I'll be there for **you / your**

Washing my hands all **day/ week**

I'll be there for you/ your

Standing **6/ 8** feet away

I'll be there for **you/ your**

'Cause you're there for me **too/ two**

.....The Wolt guy brings you breakfast,
things are going great

.....You're still in bed at 10, your boss
skyped you at 8

.....The Apocalypse is coming so stay home
- keep watching Netflix

.....Your crazy Uncle's been saying for
years

(Chorus)

No one could ever know me

No one could ever see me

Seems you're the only one who knows

What it's like to be me

Someone to face the **day/ week** with

Make it through all the rest with

Someone/ Anyone I'll always laugh with

Even at my worst, I'm best with you, yeah

It sucks we're all just stuck in Quarantine

And I hope to see you soon , my friends

As soon as we win!

I'll be there for you

To make sure Grandma's OK

I'll be there for you

So Grandpa's dancing every day

I'll be there for you

'Cause you're there for me too
