

1 Listen and read. TR: 6

Adverbs of frequency

We use adverbs of frequency to show how often we do things.

always	
usually	
often	
sometimes	
rarely	
never	

We use them before verbs in the simple present, but after the verb *to be*.

The designer often makes two or three models.

They are usually difficult to paint.

2 Put the adverbs of frequency in Hans Weise's description.

1. I use toys for people and animals. (sometimes)
2. I put the camera on a table. (always)
3. I hold it in my hand, because it can move. (never)
I take a picture of the models, move them a little, and then take another picture. (usually)
4. I take five pictures for each one second of a movie. (usually) Then I put the pictures on my computer.
5. I have hundreds of pictures. (often) I make the animation with a computer program.
6. It's easy to make animated movies, but they are very long. (rarely)

3 Work in groups. Say true or false sentences about your day. Can your partners guess?

I always get up before seven o'clock.

That's true.

False!
