

Danna: Do we have (any/many) shampoo?

Neil: Yes, we have (many/lots of) shampoo

Danna: And Maggie uses (much/ a lot of) sunscreen. Is there (Many/any)?

Neil: No, there isn't (some/any). And we don't have (much/many) Toothpaste, either. I can pick (some/any) up on my way back from work.

Danna: Hey, Adam's shaving now. Does he need (any/many) shaving cream?

Neil: He doesn't shave every day. He can use mine!
