

Guard down

August Moon

COLD

Had me up inside a temple. I could not choose
Insecure, got hot to handle. Too much, too soon
Time after _____... Had to stop _____
Night after night...She _____ control
But then

TIME

VISION

I _____ it up to the devil in me, and I
I let my guard down (I let my guard down)
I've given up on her _____ of me when
I let my guard down (I let my guard down, hey)
She'll take me _____ if I make her believe that I
Can finally come down (can finally come down)
Get through the steps I don't wanna _____ 'cause
I let my guard down

TAKES

SEE

She don't want part of the cliché. I turned into
Don't want her to _____ me that way
And face the truth. Time after time
Had to stop cold. Night after night
She takes control. But then

BACK

STEPS

I give it up to the _____ in me, and I
I let my guard down (I let my guard down)
I've given up on her vision of me when
I let my guard down (I let my guard down, hey)
She'll take me back if I make her believe that I
Can finally come down (can finally come down)
Get through the _____ I don't wanna repeat 'cause

REPEAT

DEVIL

I let my guard down
Let's go
She takes control (she takes control)
I give it up to the devil in me, and I
I let my guard down (I let my guard down, hey)
I'm giving up on a vision of me when
I let my guard down
