

# Vocabulary

Remember. Words that **sound alike** but have **different meanings** are called **homophones**.

## 1 Match up the pairs of words that sound the same.

- |         |                            |         |          |                          |         |
|---------|----------------------------|---------|----------|--------------------------|---------|
| 1 ate   | <input type="checkbox"/> c | a write | 6 to     | <input type="checkbox"/> | f sale  |
| 2 meat  | <input type="checkbox"/>   | b see   | 7 pair   | <input type="checkbox"/> | g sun   |
| 3 right | <input type="checkbox"/>   | c eight | 8 sail   | <input type="checkbox"/> | h pear  |
| 4 sea   | <input type="checkbox"/>   | d steel | 9 son    | <input type="checkbox"/> | i their |
| 5 steal | <input type="checkbox"/>   | e meet  | 10 there | <input type="checkbox"/> | j two   |

## 2 Write the pairs of words here.

- |                     |          |
|---------------------|----------|
| 1 <u>ate, eight</u> | 6 _____  |
| 2 _____             | 7 _____  |
| 3 _____             | 8 _____  |
| 4 _____             | 9 _____  |
| 5 _____             | 10 _____ |

## 3 Choose the correct word for each sentence.

- I sat down \_\_\_\_\_ (to, two) watch TV.
- I \_\_\_\_\_ (ate, eight) a sandwich.
- Do you eat \_\_\_\_\_ (meat, meet)?
- A \_\_\_\_\_ (pair, pear) is a fruit.
