6. Kerjakan dengan sungguh-sungguh dan jangan lupa berdoa sesuai dengan keyakinan masing-masing.
7. Presentasikan hasil kerja kelompokmu di depan kelas.

THANK YOU

FAMILY TREE PROJECT

What is Family Tree?

Family tree is a diagram to show you the relationship between people in a family.

How To Make A Family Tree?

1. Start from yourself and then to your parents, draw line to your dad and mom.
2. And then, draw line to your brother or sister as your siblings.
3. Then draw line to your dad's father and dad's mother, they are your grandparents from your dad.
4. The last, then draw line to your mom's father and mom's mother, they are your grandparents from your mom.

Example of Family Tree

Material of Project

Origami, glue, scissor, pencil, picture, ruller

Read the story below to do your group project!

Danu and His Family

Hello. my name is Danu. Let me introduce you to my family. I have one old brother, his name Rony. And I have one little sister, her name is Kayla. My dad's name is Bobby and my mom's name is Rania, they are my lovely parents. My dad's father name is Bowo and my dad's mother name is Titi, they are my grandparents from my father. My mom have one sister, her name is Nisa. She had merried with my uncle Budi. They have a child that name Ayu. That is my family, how about your family?

Instruction

How To Make Family Tree Project

- First, read Danu and his family story.
- Second, make a tree using Origami paper you've prepared.
- Third, stick the picture on the diagram.
- Fourth, connect each picture using a line.

FAMILY PICTURE

PRESENTATION

After finishing your project, discuss in group how to presenting your project by completing this paragraph based on your project.

Hello friend, my name is.....from group.....
I would like to presenting our project from group..... This is Family Tree that our group made. We made family tree to show you the relationship between people in a family.

Here we go!

Or Danu and his family's story. He has parents, his father is..... and his mother is..... And then, he has grandparents, his grandfather is..... and his grandmother is....they are grandparents from his.....

And then, he has grandparents, his grandfather is..... and his grandmother is..... they are grandparents from his.....

The last, he has siblings, his brother is..... and his lil sister is.....

That is group..... Family tree project. If you have any quesions, please feel free to ask. Thanks!!!
