B. Answer the questions based on the text.

One Friday afternoon on Gang Pelita, a small street where very few cars passed by, Bayu drew lines with a piece of stone to create a soccer field. When the field was drawn, the kids were grouped into two teams then they took their positions. Mirza, Abay, and Siti were one team, taking the left side of the field. Raka, Amelia, and Pitra were on the other team. While everyone was so eager to defend and score, Mirza was not sure about his role as a keeper. He ran left, then to the right, clumsily leaving the goal area empty. The next thing he knew, the other team already scored. They took some rest under the shade of a tall building on the street.

"You were no use, Mirza. You can't play football," Siti said.

"I think he guarded the goal area well," replied Bayu.

"But he didn't know what to do in the game. He was just running here and there," Siti said sternly.

Mirza didn't say anything. He kept silent. It was not the first time Siti talked like that.

1. Where did they play soccer?
2. Who drew the soccer field?
3. Mention the members of left team?
4. How did Mirza play?
5. What did Mirza response to Siti's statement?
